

You have, no doubt, heard considerable about the Knights of the Ku Klux Klan, and if you are in the position of 99% of the population of the United States of America, excepting those who are in our ranks, you have been erroneously advised regarding this American Organization of native, white, Gentile, Protestants.

The press of the nation, owing to its ownership and alignments, is unfavorable to the Klan, and, in fact, is bitter in its denunciation of anything that is said or done by our institution.

In spite of this insidious propoganda, our institution has grown, and its growth has been the marvel of our nation. Millions of men have joined with us in our cause, and we have prospered.

We feel that every true Protestant man would like to hear a thorough discourse on the Klan, and this is to advise you that a free lecture on the principles, Aims and Purposes of the Knights of the Ku Klux Klan will be held in this city within the coming two weeks.

In the next three or four days we will forward you a card which will admit you to this proposed meeting. We would greatly appreciate your attendance at this gathering of Patriotic Americans.

Very respectfully yours,

KNIGHTS OF THE KU KLUX KLAN
